For immediate release

Changes to the leisure card system for the Memorial Regional Civic Centre.

CAMPBELLTON, N.B. – Thanks to the efforts of the Advisory Committee of the Memorial Regional Civic Centre, an agreement was reached with the minor sports groups. This agreement has led to certain changes to the leisure card for the 2019-2020 season.

There will be no cost increase. The leisure card remains \$200 plus taxes. New this season, users will have the opportunity to obtain a card at half price from March 1st. Users will be able to obtain their card starting September 30.

The leisure card gives access to preferential rates (member) for admission to activities and registration to various programs. This season, users will also have the opportunity to not take a card and still have access to activities and programs, but at non-member rates.

Walkers who do not have a leisure card will need to purchase a Walkers' Club card for \$25 (taxes included).

Mayor Anglehart-Paulin "Unfortunately, the City of Campbellton has reached the point where the Regional Civic Centre is no longer sustainable under the current funding formula. We have no choice but to maintain the leisure card until we can find a better solution." The Mayor also emphasizes "I thank the Advisory Committee, made up of the municipalities contributing to the Civic Centre, for their work and the positive results achieved with the minor sports associations. I would especially like to thank the village of Tide Head who has been an unwavering partner for many years. "

The leisure card and the Walkers' Club Card can be obtained at the Memorial Regional Civic Centre according to the schedule posted on the City's website (www.campbellton.org). Users can also call the Civic Centre at 506.789.2888 to obtain the schedule. The list of partner municipalities can be obtained in the same way.

Users from Campbellton and partner municipalities must provide proof of identity and residency in order to obtain their card. Some municipalities offer the confirmation of residency service according to a pre-established document. The information can also be found on the City's website or at the Civic Centre.
