

SPECIFICATIONS

Two **TYPES OF WOOD BURNING APPLIANCES** are allowed:

1. **MANUFACTURED:** a manufactured, CSA approved, non-combustible, enclosed container, designed to hold a small fire, the size of which does not exceed 1m in any direction and which is equipped with a spark arrestor with openings no larger than 12mm x 12mm.
2. **HAND-MADE:** a handmade, non-combustible, enclosed container which may include some or all of the components of an outdoor fireplace and has been approved by the municipality. The appliance must be **COVERED** with a suitable steel wire mesh with openings no larger than 12mm x 12mm.

GUIDELINES

1. The appliance must be **INSTALLED ON A NON-COMBUSTIBLE SURFACE**. It cannot be installed on a wooden deck or other combustible platform.
2. The appliance must **BE INSTALLED:**
 - 3m (10ft) from any main building
 - 6m (20ft) from a neighboring house
 - 2m (6ft) from any accessory building or structure
 - 3m (10ft) from any hedge, tree, overhead wiring or any other combustible material

SAFETY MEASURES

1. **Follow MANUFACTURER'S INSTRUCTIONS** for the safe installation and operation of the appliance.

2. The appliance shall not be used when the Department of Natural Resources has placed a **BAN ON OPEN BURNING** in the area; call 1-866-458-8080 for burning information.
3. Only **ONE APPLIANCE** shall be used on a property **AT ONE TIME**.
4. An operable **GARDEN HOSE** or **PORTABLE FIRE EXTINGUISHER** must be readily available.
5. Always have **AN ADULT** overseeing the fire.
6. **ALWAYS EXTINGUISH** and never leave an appliance fire unattended.

CONTROLLING SMOKE

Only **DRY FIREWOOD** must be burned. **DO NOT BURN** pressure treated wood, painted wood, leaves, grass, other vegetation, any plastic material, food or any material that produces an unreasonable amount of smoke or other respiratory irritants.

The appliance shall **NOT BE USED IF CAUSING UNDUE HARM TO NEIGHBORS**. Several people suffer from allergies and respiratory problems. It is important to keep smoke at a minimum. Smoke enters homes through air exchangers and open windows. **BE COURTEOUS** while using your outdoor wood burning appliance.

INFRACTIONS

People not following outdoor wood burning appliances rules are subject to a fine up to \$500 under bylaw S-5 - A Bylaw Respecting Fire Prevention for the City of Campbellton.
